Networking: How to Build, Find, and Maintain Networks

Helen Oloroso, Assistant Dean of the MCD, will discuss several key topics of networking:

- Networking for the 21st century
- Personal branding
- Networking plans
- Reaching out to new contacts

Helen Oloroso administers the Co-op and Internship Programs at McCormick, and has administered co-op programs at three other Chicago area institutions of higher education.

When: Wednesday, August 3rd 12:00 – 1:00 p.m.

Where: Ford ITW Classroom

Extras: Lunch will be provided

For an estimated count of attendees, Please RSVP by Tuesday, August 2nd to http://www.surveymonkey.com/s/MCDNetworking
