Position Summary

Brief Description of PSU/School/Dept	<p>Portland State University (pdx.edu/about-portland-state) is the largest university in Oregon and distinguishes itself by emphasizing sustainability and community while thriving within the urban setting. The Maseeh College of Engineering and Computer Science (pdx.edu/cecs/) values research growth balanced with effective instruction. The Civil and Environmental Engineering department (pdx.edu/cee) has experienced exciting growth in the last decade that has seen recruitment of outstanding new faculty, steady increase of externally funded research and graduate student body. The department currently has 26 faculty and offers ABET accredited B.S. degrees in both Civil and Environmental Engineering, as well as graduate programs through the PhD. The department currently serves approximately 480 undergraduates and 210 graduate students. Portland State University is located in downtown Portland, Oregon. Portland is in the heart of the Pacific Northwest and is a major industrial and cultural center in the region. The University is approximately one hour from magnificent beaches and year-round skiing.</p>
Position Summary	<p>Various assignments for fixed-term instructional and research faculty may include direct instruction, supporting scholarly activities, and service to the University, community, and profession. Expectations for the position are summarized below and</p>

	will be the principal components upon which annual review and reappointment decisions will be based. The position description is incorporated by reference in the Notice of Appointment, consistent with the practices outlined for fixed-term faculty in the current PSU-AAUP collective bargaining agreement (Article 18).
