

Internship Announcement

The *Metropolitan Water Reclamation District of Greater Chicago* is in search of a current college student with a technical background for an internship opportunity in the District's Engineering Department. The internship is at the Stickney Plant location, near 39th and Austin Avenue in Cicero, IL.

The prospective intern will work with the Engineering Stormwater Staff to learn about Green Infrastructure. The intern will assist with analyzing potential green infrastructure projects; administering, monitoring and reviewing projects; reorganizing data bases; and reviewing spreadsheets and calculations. Knowledge of Green Technologies is preferred.

Qualifications must include:

current college student status; technical background; strong communication and organizational skills; current residence in Cook County, IL; U.S. citizenship; and the ability to obtain a college or university referral/recommendation for the internship.

This paid (\$13.00/hr) opportunity will be available in 2016.

Interested applicants must forward a resume, a cover letter and the school referral/recommendation to

Tove.Powell@mwrld.org or by fax at 312-751-6639 or by mail at

MWRD of Greater Chicago
111 E. Erie Street
Attn: Tové Powell, HR Dept-Employee Development
Chicago, IL 60611

Resumes and cover letters will be accepted until the position is filled.
