Internship Announcement

The Metropolitan Water Reclamation District of Greater Chicago is in search of a current college student seeking an internship opportunity in its Maintenance and Operations Department.

The intern will have an opportunity to learn the phosphorus removal testing process at the Kirie Plant by taking test samples; assisting with field inspections; and analyzing test data. The candidate must be eager to learn and able to travel to the Kirie Plant which is located in Des Plaines, IL. Experience with MS Excel would be a plus.

Qualifications must include:

- current college student status;
- a major in the environmental protection field;
- current residence in Cook County, IL;
- U.S. citizenship; and
- the ability to obtain a college or university referral for the internship.

This paid ($13.00/hr) opportunity will be available in Spring 2015.

Interested applicants must forward a resume, a cover letter and the school referral to

Tove.Powell@mwrdf.org or by fax at 312-751-6639

or by mail at

MWRD of Greater Chicago
111 E. Erie Street
Attn: Tove Powell, HR Dept-Employee Development
Chicago, IL 60611

Resumes, cover letters and referrals will be accepted until the position is filled.
