Internship Announcement

The Metropolitan Water Reclamation District of Greater Chicago (MWRD) is accepting resumes from currently enrolled students in an engineering program who are seeking a paid internship position in its Maintenance and Operations Department. The position will be located at the Stickney Plant location in Cicero, IL near 39th Street & Austin Ave.

The prospective intern will have the opportunity to acquire knowledge by assisting with sorting inventory and archiving O&M documentation and materials received using the Filebound applications, Microsoft Word and Excel and by searching for inconsistencies between displayed data and underlying screen graphic configuration information on DCS status screens.

Qualifications:

Must be a 3rd year engineering major with a concentration in process control; have a current residence in Cook County, IL; be a U.S. citizen; and must submit either a referral from the schools Internship Coordinator or a letter of recommendation from a college professor.

This paid ($13.00/hr) opportunity is available June 2017.

Interested applicants must forward a resume, a cover letter and the school’s referral or letter of recommendation to Tove.Powell@mwrd.org or by fax at 312-751-6639 or by mail at MWRD of Greater Chicago
111 E. Erie Street
Attn: Tové Powell, HR Dept-Employee Development
Chicago, IL 60611

Resumes and cover letters will be accepted until the position is filled.
