

Internship Announcement

The *Metropolitan Water Reclamation District of Greater Chicago* is in search of a college mathematics student. The internship will be in the Monitoring and Research Department at the Stickney Plant location in Cicero IL near 39th & Austin Ave.

The intern will have the opportunity to learn by assisting a Biostatistician in a professional laboratory setting. The intern will assist in compiling data to maintain statistical database, run built in programs in SAS and Visual Basic software, proofread statistical analysis output reports, assist in maintaining communications with statistical analysis clients and compile statistical analysis requests from clients. The duration of this internship is expected now through the end of 2016.

Qualifications must include:

current college student status; coursework/background in advanced math, logical math and programming language; current residence in Cook County, IL; U.S. citizenship; and the ability to obtain a college or university letter of recommendation for the internship.

This paid (\$13.00/hr) opportunity will be available now.

Interested applicants must forward a resume, a cover letter and the school referral/recommendation to Tove.Powell@mwrp.org or by fax at 312-751-6639 or by mail at

MWRD of Greater Chicago
111 E. Erie Street
Attn: Tové Powell, HR Dept-Employee Development
Chicago, IL 60611

Resumes and cover letters will be accepted until the position is filled.
