Internship Announcement

The Metropolitan Water Reclamation District of Greater Chicago is in search of a current college student seeking an internship opportunity in its Engineering Department, near downtown Chicago, IL.

The prospective intern will be trained on Geographical Information Systems (GIS) software to help georeference civil design plans and permit records. The intern will gain experience with engineering drawings and will work with the engineering staff to better understand the District’s role in land development regulation. Some GIS or AutoCAD experience would be a plus.

Qualifications must include:

- current college student status;
- major in civil engineering;
- current residence in Cook County, IL;
- U.S. citizenship; and the ability to obtain a college or university referral for the internship.

This paid ($13.00/hr) opportunity will be available from April through September 2015.

Interested applicants must forward a resume, a cover letter and the school referral to

Tove.Powell@mwrd.org or by fax at 312-751-6639

or by mail at

MWRD of Greater Chicago
111 E. Erie Street
Attn: Tove Powell, HR Dept-Employee Development
Chicago, IL 60611

Resumes, cover letters and referrals will be accepted until the position is filled.
