Dimensions

Various Studies and Plans Activities

Nature and Scope

This position reports to the Senior Squad Leader or Squad Leader as do two to three additional Squad Engineers and/or Squad Technicians.

This position is accountable for providing assistance to the Senior Squad Leader or Squad Leader in the development phase of studies and plans. This position is assigned various technical tasks that are essential to the design process. This position rotates to other bureaus within the district as part of the rotational training program.

The greatest challenge for this position entails expediting all assigned activities in an accurate and timely manner. A typical problem for this position is to insure the completed output of a project assignment is correct and according to approved standards.

The incumbent is accountable for assisting in the preparation of final studies and plans, special provisions, and other design features; prepares plans and special provisions from minor miscellaneous projects; makes field surveys for patching and resurfacing projects, and makes all necessary computations. This position will complete tasks as assigned which fall within the scope of these duties.

The incumbent is constrained by all Department policies and procedures. Complex design problems are referred to immediate supervisors for resolution.

The incumbent has internal contacts with all sections within the bureau. External contacts are limited.

The effectiveness of this position can be measured or the ability of the incumbent to accomplish all assignments in an efficient and effective manner.
