Job Announcement
Civil Engineering Intern
2018 Summer Position

Description: The Village of Streamwood is seeking an Engineering Intern for the Public Works Department. This position is intended for a college student in the process of obtaining an engineering or construction management degree.

The successful candidate will assist the Village’s Engineering Department with various tasks, including inspection and quantity measurement for concrete, water main, and resurfacing projects; plan and exhibit preparation utilizing CAD software; data entry utilizing GIS software; and general office tasks such as scanning and filing. The Engineering Department will provide training and guidance as necessary.

Pay Rate: $12.50 an hour.

Qualifications: Candidates must be currently enrolled in a degree program for Engineering or Construction Management and must have successfully completed one year of study at the time work begins. Candidates must be 18 years of age or older and possess a valid Illinois Driver’s License.

Candidates must be available to work from May through August of 2018 (exact start and ending dates are flexible depending on the candidate’s school schedule). The work schedule will be Monday through Friday from 8:00 am until 4:30 pm. Additional work beyond August of 2018 will be considered by the Village of the candidate’s schedule allows.

Application: Employment Applications are available at Village Hall, 301 E. Irving Park Road, Streamwood, or the Village’s website at www.streamwood.org. Applications will be accepted until the position is filled. Interested candidates should send their completed Application to: Village of Streamwood Public Works Dept., 565 S. Bartlett Road, Streamwood, IL 60107. Applications can also be emailed to: ariegler@streamwood.org or faxed to (630) 289-7201.

Equal Opportunity Employer.

Thank you for your interest in employment with the Village of Streamwood!
