ECO Green Equipment Engineering Scholarship
www.ecogreenequipment.com

Eligibility

The ECO Green Equipment Engineering Scholarship is presented to an outstanding student who is enrolled full-time as an undergraduate or graduate engineering student pursuing a Bachelor of Science or Masters Engineering degree at Northwestern University.

Special consideration will be given to students focused in mechanical engineering courses or who have specific career interest in industrial equipment and environmental engineering sectors. Those students particularly interested in industrial equipment for recycling and environment applications are encouraged to apply.

Scholarship awards are based on the applicant's completed application form and submitted essay. Applicants with a cumulative Grade Point Average of at least 3.0 on a 4.0 scale are encouraged to apply.

Application Process

Application materials must be received by June 30th, 2015 in order to be considered. The following materials should be submitted:

- Completed application form
- A typed essay (no more than one page double spaced) addressing one of the following topics:
  - Describe a particular area of engineering that you enjoy the most.
  - What role do you see engineering professionals and applications sustaining our environment in the future?
  - How has your academic and other experiences to date at Northwestern University prepared you for your career aspirations?
Selection Process

An ECO Green Equipment Committee based on application materials provided will select recipients. All scholarship applications will be notified of the committee’s decision by August 31st, 2015. Payment will be made to the recipient’s school upon notification and in accordance with the school’s scholarship guidelines.

Purpose of Scholarship

To provide financial assistance to a student with an interest in pursuing education and a career in environmental and industrial mechanical engineering.

Award

One annual financial scholarship payable to the recipients’ educational institution for tuition will be awarded as follows:

- $500.00 per year for accredited 4-year schools
