iPad funded by Start-up  
Research Use Certification

To: McCormick Office of Administration, Finance and Planning  
From: Department Chair or Senior Associate Dean  
Subject: Certification of Research Use for iPad funded by start-up  
Date: ______________

I certify that the iPad is essential to this individual’s effectiveness in the conduct of their research because his/her effort requires maintaining communication with research staff, colleagues, and external collaborators. The individual understands that the use of the device funded by his/her start-up is substantially for the conduct of university research.

Individual Requesting Device and Date:

Print Name ____________________________

Signature ____________________________ Date ______________

Department Chair or Senior Associate Dean Approval and Date:

Signature ____________________________ Date ______________

NU policy requires all mobile devices that use third-party networks (e.g. iPad, other tablets) to carry encryption software.
