Check one of the following:

☐ Change of Major (with or without Change of Catalog Year)  ☐ Change of Catalog Year Only
(Complete Only Part A)      (Complete Only Part B)

Note about Catalog Year: Degree requirements may change from year to year. Your catalog year determines the specific requirements you need to complete in order to earn your engineering degree. The default is the academic year you first entered McCormick, though you are able to change to any later catalog year. By changing catalog years, you must meet those requirements completely. Most changes on a year-to-year basis are minor, however, changing your catalog year may have major implications for completing your degree and you should know exactly how this would impact you before making the change.
