McCormick Faculty Reimbursement Workflow

Steps to process and approve your expense report:

1. Simply fill out the Reimbursement Request Form, and then place the form, receipts, and any other supporting documentation into a plastic reimbursement envelope located in the department office near the faculty mailboxes. Put the envelope in the mailbox labeled for Faculty Expense Reports. The Customer Service Center – Reimbursements (CSC-R) will pick up these envelopes daily.

   ✴ If you would like to submit receipts electronically, email the scanned receipts to mccreimbursements@northwestern.edu, along with the business purpose, chart string and any other details pertinent to processing a reimbursement request.

2. If needed, answer email questions from CSC-R staff for additional clarification or documentation.

3. Once your expense report has been prepared and submitted, you will receive a system-generated email from CSC-R staff. Open the email and click on the link to log in with your NetID. Review the electronic expense report approval page and click “approve” to verify the expenses.

4. Receive prompt reimbursement via direct deposit.

Steps to approve student expense reports:
