

## SUGGESTED COURSE SCHEDULING

The course flowchart at this page identifies courses that are prerequisites for other courses  
<https://www.mccormick.northwestern.edu/mechanical/academics/undergraduate/curriculum/>

Be sure to check current course listings to ensure course availability  
<https://www.mccormick.northwestern.edu/mechanical/academics/courses/>

\*\*\* Please do not be in hurry to do the Unrestricted Electives early on as you can use those FIVE spots for: Study Abroad; Double Major; Minor; Certificate; etc.! \*\*\*

\*\*\* Even having a couple of spots open under Theme may help you when studying abroad, as you will have a wider selection of countries to go! \*\*\*

	FALL	WINTER	SPRING
<b>Freshman</b>	Gen Eng 205-1 Math 220-1 Chem 131/141 or 151/161 or 171/181 DSGN 106-1 or Theme	Gen Eng 205-2 Math 220-2 DSGN 106-1 or Theme or Mat_Sci 201	Gen Eng 205-3 Math 228-1 DSGN 106-2 Theme or Mat_Sci 201
<b>Sophomore</b>	Gen Eng 205-4 Math 228-2 CEE 216 ME 233	Phys 135-2/136-2 ME 222 ME 224 Mat_Sci 201 or <b>CEE 216</b> <sup>#</sup> Theme	Phys 135-3/136-3 ME 240 CEE 216 ME 314 <b>ME 224</b> <sup>#</sup> or Theme or Unrestricted Elective or Mat_Sci 201
<b>Junior</b>	ME 241 ME 340-1 ME 315 ME 314 or Theme or Unrestricted Elective	<b>ME 377</b> <sup>#</sup> Concentration Elective Concentration Elective or 3xx level Math/Science Theme or Unrestricted Elective	Comm_St 102 or, Perf-St 102 or 203, or BMD_Eng 390-2 ME 315 or ME 377 or <b>ME 241</b> <sup>#</sup> ME 314 or Concentration Elective or Theme or Unrestricted Elective
<b>Senior</b>	ME 390 ME 398-1: Capstone Design or Concentration Elective or 3xx level Math/Science Concentration Elective or Theme or Unrestricted Elective	ME 398-1 or -2: Capstone Design Concentration Elective Concentration Elective or 3xx level Math/Science Concentration Elective or Theme or Unrestricted Elective	ME 398-2: Capstone Design or Concentration Elective Concentration Elective or 3xx level Math/Science Concentration Elective or Theme or Unrestricted Elective

**<sup>#</sup> These particular classes [ME 224 (s); ME 241 (s); ME 377 (w); and CEE 216 (w)] will have very limited capacity! Students should make plans to take these in other quarters.**
