

Civil, Architectural, and Environmental Engineering at Missouri S&T invites applications for for the position of Department Chair and Professor.

The College of Engineering and Computing (CEC) at Missouri University of Science and Technology (Missouri S&T), Rolla, Missouri, seeks an outstanding and visionary leader for the position of the Chair of the Department of Civil, Architectural and Environmental Engineering (CArEE).

Missouri S&T's CArEE Department, with 19 tenured/tenure-track faculty and 25 total faculty, positively impacts society through ground-breaking research and high-quality graduate and undergraduate education spanning a legacy of over 150 years. The department's research awards exceeded \$9.4M in 2022 with substantial growth over the past five years. The department has over 700 students across the three-degree programs.

The department enjoys strong support from alumni and corporate partners with seven endowed professorships. Recent fundraising resulted in a \$7.5M expansion for the Clayco-Advanced Construction and Materials Laboratory, which opened in 2021.

The CArEE department and programs are highly ranked in U.S. News and in the World University Rankings (Shanghai rankings). Research thrusts in the department align with stated campus investment areas of Infrastructure Resilience, Smart Systems, Sustainable Energy, Minerals, and Resources. Additionally, the department is home to the Missouri Center for Transportation Innovation (MCTI) and additional equipment and facilities are available through active leadership and participation in S&T's Research Centers: Center for Research in Energy and Environment, Center for Infrastructure Engineering Studies, Center for Intelligent Infrastructure, and the Materials Research Center.

Those wishing further information about the search process may email the faculty search committee chair, **Dr. David Bayless**, at DBayless@mst.edu.

The department's civil engineering program is highly ranked among the undergraduate and graduate programs by *U.S. News and World Report*. Additional information about the department can be found at care.mst.edu.
