

PART-TIME LECTURER in GEOTECHNICAL ENGINEERING

The Civil and Environmental Engineering Department at Cal Poly, San Luis Obispo invites applications for a part-time lecturer in **Geotechnical Engineering** for Winter and Spring 2024 quarters. The position is for up to 12 quarter units in both Winter and Spring quarters. Expertise in the areas of soil mechanics and foundation design with emphasis on undergraduate pedagogy is preferred. Requirements include an M.S. in geotechnical engineering or a closely related field, currency in the field, and the willingness and ability to teach undergraduate and graduate courses in geotechnical engineering.

To apply, visit <https://jobs.calpoly.edu/en-us/job/526174/parttime-lecturer-pool-civil-environmental-engineering-ay-2324> and complete the required online application.. Please be prepared to provide three professional references with names and email addresses when completing the online application. Also attached to the online application a cover letter indicating an area of expertise and teaching experience, resume/cv, statement of teaching, diversity statement, and undergraduate or graduate transcripts. Sealed official transcripts and three letters of recommendation will be required prior to the initial appointment. If available, please attach a list of courses previously taught. Review of applications will begin November 1, 2023 and continue until the position is filled. Contact Robb Moss rmoss@calpoly.edu for further questions or details.

At California Polytechnic State University, San Luis Obispo, we believe that cultivating an environment that embraces and promotes diversity is fundamental to the success of our students, our employees, and our community. Bringing people together from different backgrounds, experiences and value systems fosters the innovative and creative thinking that exemplifies Cal Poly's values of free inquiry, cultural and intellectual diversity, mutual respect, civic engagement, and social and environmental responsibility.

Cal Poly's commitment to diversity informs our efforts in recruitment, hiring and retention. California Polytechnic State University is an affirmative action/equal opportunity employer.

Cal Poly welcomes and encourages diversity. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. The University seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the people of California, to maintain the excellence of the University, and to offer our students richly varied disciplines, perspectives, and ways of knowing and learning. Cal Poly is an affirmative action/equal opportunity employer.
