

Minor in Engineering Management Application

First Name: _____ Last Name: _____ Student ID# _____
NetID: _____ Current GPA: _____ Graduation Quarter and Year: _____
Program Name: _____ BS/MS Student: _____
NU Email Address: _____ Advisor Name: _____
List any other minor programs you have been admitted to: _____

MEM international students and EM minor international students are required to have a minimum score of 100 on the TOEFL or 7.0 on the IELTS. Your TOEFL/IELTS score: _____

Several courses, including one required course (MEM 407), rely heavily on statistics. Due to this, EM minor students must complete a post-calculus and probability, and statistics course **before** starting the EM minor program.

Advisor's signature: _____
Advisor's signature confirms that all information above is accurate and the student has or will have completed a post-calculus, probability, and statistics course before starting the EM minor program.

In the quarter boxes below, indicate the quarter and year you plan to take a MEM elective. **PLEASE NOTE: you may only enroll in one MEM course per quarter and space is limited. Each course is subject to availability.**

Once the form is completed and signed by your advisor, submit form through the [application portal on the MEM website](#).

Fall 2025	Winter 2026	Spring 2026	Summer 2026	Fall 2026
	MEM 402	MEM 407		

Two Required Courses:

- [MEM 402 Engineering Management](#) (Must be completed in Winter 2026 quarter)
- [MEM 407 Decision Tools for Managers](#) (Must be completed in Spring 2026 quarter)

One Elective Course:

Students must choose another MEM course as their elective course. A full list of MEM courses is available on the Engineering Management Minor website (this list may change depending on availability). Please check the [MEM course schedule](#) for the academic course calendar. **Each course is subject to availability.**

Note: Students must have a cumulative GPA of at least 3.0 in their EM Minor courses to earn the EM award on their transcript.
