## Dashboard

Upon logging in, you will see the Home Dashboard where updates and events will be posted.

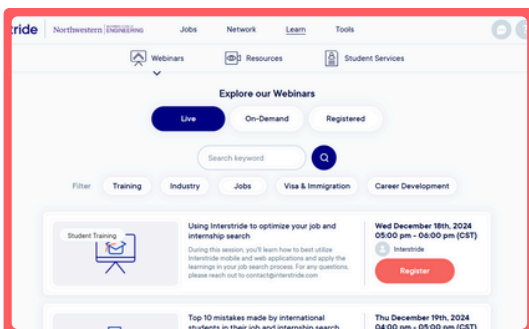

## Jobs

The Jobs tab lets you research top employers, create job alerts, and apply to internship and full-time job opportunities as well as see which employers hire H1-B Visa students.

## Network

The Network tab lets you connect with other students for mentorships, job search advice, and more.

## Learn

The Learn tab lets you access informational webinars, resources on career readiness and immigration, and information on services that may be helpful to your life in the U.S.

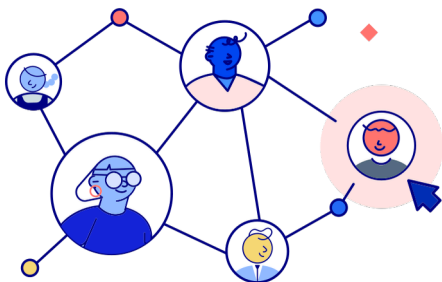

# The #1 way international students find jobs, immigration support, and network

## Find international-friendly jobs and internships in the US and beyond

- ✓ Discover jobs and internships by work authorization and visa type
- ✓ Access employer's historical record of H-1B sponsorship
- ✓ Explore global opportunities in 160+ countries

## Build a strong university network

- ✓ Connect with other international students, alumni, and globally-minded friends
- ✓ Network with people based on your needs, interests, and goals

## Get expert career and immigration support

- ✓ Access webinars and courses on job search strategy, employment options, and immigration pathways in the US
- ✓ Get guides and resources crafted specially for international students
