A beginning course in Italian language and culture, Elementary Italian is devoted to developing all four language skills (speaking, listening, reading, and writing) within the three modes of communication (interpersonal, interpretive, presentational). While studying the language, students will be introduced to Italy and its people and they will gain both language and cultural competence. At the end of full-year Italian 101 sequence, students will be able to handle successfully a few uncomplicated communicative tasks, participate in simple conversations on topics related to personal information, personal preferences, daily activities, and immediate needs.

This course is the first in a three-part sequence for beginning students of Italian. Classes are conducted entirely in Italian and are very lively, with lots of give-and-take among participants. Students with some experience in Italian may take the online placement test to place out of any or all of the first-year sequence.
