**Meet with an Adviser** (<https://www.northwestern.edu/abro>)

**View Program Website** (<https://iclp.ntu.edu.tw>)

This program is not currently accepting applications.

One of the oldest and most successful intensive Chinese language programs in the world, the full-year International Chinese Language Program (ICLP) at National Taiwan University (NTU) in Taipei offers rigorous language training for students who want to develop skills needed for academic research or other professional use. Participants are provided with an NTU student ID and have access to all of NTU's facilities and activities.
