Important Notes

- Economics will accept IEMS 303 and IEMS 304 in place of Stat 210 and Econ 281. IEMS will NOT accept Stat 210 and Econ 281.
- Double counting of IEMS 304 and IEMS 373 should be noted on the petition to graduate, completed at the end of junior year: <https://www.registrar.northwestern.edu/registration-graduation/registration-graduation-forms.html#graduation>
- Grade Requirement: All core, elective, and related courses used toward the Economics major must be taken for a letter grade (not P/N) and must be passed with a grade of C- or higher.
- For the Econ minor, **three** field electives are required. For the major, **six** field electives are required.
- For the Econ major, students may substitute **up to one** non-Econ class. For IE/Econ, this is typically IEMS 373. See <https://economics.northwestern.edu/undergraduate/major/index.html> for other permitted substitutions.

Economics courses approved as IEMS General Tech Electives:

Econ 309 Elements of Public Finance
 Econ 331 Economics of Risk and Uncertainty
 Econ 336 Analytic Methods for Public Policy Analysis
 Econ 339 Labor Economics
 Econ 349 Industrial Economics
 Econ 350 Monopoly, Competition, and Public Policy

Econ 355 Transportation Economics and Public Policy
 Econ 360-2 Investments (note required prereq of 360-1)
 Econ 362 International Finance
 Econ 380-1, 2 Game Theory
 Econ 381-1, 2 Econometrics
