

## Industrial Engineering and Management Sciences

### FROM THE CHAIR / Fall 2025

Dear colleagues, alumni, and friends,

Our faculty, students, and alumni continue to push the boundaries of discovery and innovation, and we're proud to highlight some of their recent achievements. From groundbreaking research and new academic programs to student-led projects and alumni impact, these stories reflect the energy and vision that drive our department forward.

This newsletter is both a celebration of our accomplishments and an invitation to stay **connected with us**. We hope you enjoy catching up on our news and feel proud of the vibrant community we are building together.
