MPM and EMDC Fall Quarter 2018 News

The MPM and EMDC programs continue to grow and prosper. This newsletter is only as good as you make it by sharing your news with us. As always, please send any news that you wish to share to mpm@northwestern.edu.

New Graduates

Congratulations to our Fall 2018 MPM graduates. Commencement exercises took place on campus in a new venue at Pick-Staiger Hall at Northwestern University on December 15, 2018.

Alumni News

Congratulations to Zinekar Ahmed (MPM 2016), who married Hinna Mehaboob in Kozhikode, Kerala, India on December 25, 2018. The wedding was quite an MPM reunion, with Sima Mustaklem (MPM 2017), Laetitia Jousso (MPM 2016), Marilia Marcon (MPM 2017), Simran Khurana (MPM 2016), Joanna Ma (MPM 2016), Jose Apestegui (MPM 2017), Katherina Adams (MPM 2017), and Ziad Kachmar (MPM 2016) in attendance.
Carolina Fong Guzzy (MPM 2015) was interviewed in the November 2018 issue ofMiddle East Consultant magazine! The article covered her thoughts about her influences and career, and gender diversity in the construction industry. The full article can be seen on the link below: https://issuu.com/cpitrade/docs/mec_november_2018

Hamza Saraçoğlu (MPM 2016) was married to Yagmur Akpinar on October 7, 2018 in Istanbul, Turkey. The entire MPM team sends their best wishes for a bright future!

We have some sad news: Anthony (Tony) Martini (MPM) unexpectedly passed away on December 27, 2019 from a cardiac event. Tony was most recently working at Mackie Consultants, having taken a position as Senior Project Manager at The Burke Group shortly after completing his coursework, and he was leading a strong team of engineers on projects around the Chicagoland area. Tony is survived by his wife Erika and his two children, Farrar (5) and Webb (3). Sincere sympathy is extended to his family, friends, colleagues, and MPM classmates.

BuiltWorlds

MPM and EMDC renewed our partnership with BuiltWorlds for the 2018-19 academic year! We sponsored the Future Workforce conference in October 2018 (where Professor Raymond Krizek was a panel member) and we will be at the Project Chicago conference in the Summer of 2019. MPM/EMDC will also be a Supporting Sponsor of the BuiltWorlds 2019 Summit in May 2019, a 3-day conference with 300 of the most respected CEOs, executives, and strategists from the built industries in attendance. Our partnership with BuiltWorlds is bearing fruit, and we look forward to many more collaborative events!
